Republican supports McCabe in 36th District

Growing up just south of Milford and attending Milford schools, the town will always hold a special place in my heart. As a current Sussex Countian and registered Republican, I wholeheartedly support Russ McCabe to be the next state representative of the 36th district. He possesses the leadership qualities, the conscientiousness, and the energy we need to represent Milford's and Sussex County's interests in Dover.

I can be confident in my support of Russ because I worked with him for three decades in the Department of State and saw him use his gifts on behalf of the people of Delaware. His expansive knowledge of Delaware, of Sussex and of Milford indicates that he can best represent us.

His obvious love of Sussex County attests to the intensity with which he will speak up for and even fight for us in the Delaware Legislature. We don't need a placeholder - we need a strong and energetic representative. We can have that in Russ McCabe.
