## **Letters to the Editor -- Oct. 1, 2010**

**Reader supports McCabe's bid for office**

**Editor:**

I have lived in the 36th Representative District for over 15 years. During that time, George Carey has done an excellent job representing not just our district, but Milford and Sussex County in general. With Mr. Carey's retirement, the voters of the 36th District have the responsibility to elect a new person to send to Dover. I am glad to be able to recommend Russ McCabe for representative of the 36th.

Russ has a lifetime of dedication to the state. His love of and for the State of Delaware is demonstrated by his work at the State Archives and his volunteer work focused on keeping the history of our great state alive for the current and future generations of Delawareans.

It is not possible to have a conversation with Russ and not learn something new about the history of Delaware. Russ has a clear understanding of the successes and the failures that Delaware has experienced in the past.

Russ has demonstrated to me (and countless others) his ability and willingness to listen to our concerns and our hopes for Delaware. Russ has shown a clear insight into the needs of Sussex County. And Russ has shown a level of knowledge about the workings of the General Assembly that most new members of the General Assembly only acquire after years of work in Dover. With Russ, we can have the effectiveness of a seasoned legislator from Day 1.

This is not an opportunity that we can pass up. I hope that on Nov. 2 you will join with me and vote for Russ McCabe for representative, 36th District.
