Russ McCabe

Russ **McCabe**, state representative candidate for the 36th District in northeastern Sussex County, was unanimously and enthusiastically endorsed by that district's Democratic Committee on March 24.

Said District Chair Emory West, "The residents of the 36th District would be very fortunate to have Russ **McCabe** as their representative in Dover. His knowledge, skills, and deep commitment to public service make him an outstanding candidate for this position, and we are proud to endorse him for this seat."

For his part, **McCabe** was clearly buoyed by the warm support: "This is an exciting time for me and my family. I am humbled and truly honored to have received the enthusiastic support of so many, and I look forward to doing everything I can to earn their trust."

In other news, Committee member Greg Fuller was also endorsed in his bid to retain the office of Sussex County Register of Wills.
